*Our coaches are experienced specialists in their field who are passionate about their craft and always strive to give their best.*

Studio X Dance is committed to providing safe, quality services focused on teaching athlete's solid fundamentals in dance and acrobatics for all ages and abilities in Western Australia. Our coaching program is designed to help our athletes discover their own abilities through high-quality instruction in a fun, disciplined environment while working as a team to achieve success. Our goal is to help create strong independent leaders who will be able to apply their learning and work ethic to experiences throughout their life and future leadership roles.

X-League represents both Studio X Dance and Toxic Cheer and offers athletes both cheerleading and dance programs at capped fees across both disciplines inclusive. **You will only be charged capped fees once (\$625 per term) if your child participates in both cheer and dance at 5+ hours.** Additional costs are incurred with costumes, uniform, workshops, competition entries etc. **Capped fees only cover the cost of tuition.**

# OUR CLASSES **Elite (E) General (G)**

## **Ballet (E/G)**

Classical ballet teaches foundation technique and demonstrates how a dancer should engage the correct muscles for movement while having correct posture and alignment.

Studio X Dance offers syllabi supported by Australian Teachers of Dance (ATOD) and provides students with the opportunity to complete their ballet exams annually. All elite students must complete an exam and all recreational students are also welcome to participate.

It is an integral part of our elite program which develops a well-rounded and technical dancer.

## **Company (E)**

This class incorporates Jazz, Lyrical & Contemporary. Where students rehearse choreography and clean movements for competitive routines. A minimum of two dance genres will be provided depending on strengths of performers. A third genre may be provided if time permits.

## **Stretch & Conditioning (G)**

Open classes for any Studio X Student to work on their flexibility in addition to conditioning the muscles needed to engage with in order to dance with correct technique and alignment.

## **Hip Hop (E/G)**

A one hour class incorporating varied styles of hip hop. The perfect option for students who would like to compete through the year but don't have as much time to commit as required for Company teams.

## **Tap (G)**

30 minute general theatrical tap class teaching basic tap exercises and routines. Students are able to perform one routine at our end of year show.

## **Combo Class (G)**

A one hour general class that incorporates both jazz and lyrical styles. Two routines will be choreographed throughout the year for presentation at our end of year show.

## **Open Contemporary WORLDS (E)**

Selected athletes are traveling to Worlds, Orlando in 2019 to compete a contemporary routine - extra training sessions expected leading up to Worlds. There are also extra financial obligations to travelling teams.

## **Pom (E)**

A one hour class that incorporates poms, synchronisation, patterns with a heavy jazz/classical component to movement.

## **Technique & Tricks (E)**

This class is a combination of learning tricks (like jumps and turn combinations, floor drops etc) and technique specific to the routines and choreography used.

## **Kicks & Leaps (E)**

A heavily technique based class to develop and focus on skills to enable kicks and leaps for routines.

## **Acro (G)**

Acrobatic classes designed to teach students how to tumble and master basic skills like cartwheels, handstands, backward and forward walkovers, aerials and back handsprings. Acrobatic classes are not compulsory to cheer students as they tumble during cheer lessons.

## **Kindy Combo (G)**

A combination class for 4 year olds with 20 minutes of fairy ballet and 20 minutes of acrobatics/tumbling in our fully equipped gym. Students are able to perform one routine at our end of year show.

# GENERAL RECREATIONAL DANCE

Studio X Dance offers an extensive and entertaining program of non-competitive recreational classes catering from beginner to advanced levels. This is the best way to enjoy dance without committing to a competitive team. We encourage students to take as many recreational classes as they would like to including ballet.

Students are able to perform at the end of year show in a fully equipped theatre (usually mid-December) with costumes provided for a small fee. Classes on offer include: ballet, tap, kindy combo (ballet/acro), jazz, lyrical, stretch/conditioning, acro and hip hop. Students are required to wear Studio X Dance uniform and provide dance shoes appropriate to their chosen genre.

We provide:

- fully equipped dance studio with mirrors and sprung floor
- choreographed routine for end of year show
- costumes
- a whole lot of a fun!

## SPECIAL NEEDS PROGRAM

Toxic's Special Needs Program is an all ability inclusive dance program. The program is created and run by an Occupational Therapist and Education Assistant and focuses on the integration of dance and disability in a therapeutic, fun, musical and movement based setting. We offer a junior and senior program.

Our Junior Program, Platinum, focuses on gross motor development, sensory and emotional regulation and social awareness through circuit fun, movement activities and music.

Our Senior Program, Titanium, incorporates a strong dance approach where students can learn emotional regulation and increase body awareness through exploring different styles and genres of dance. Senior Program students have the opportunity to perform in performances and competitions throughout the year.

Titanium focuses on an inclusive approach and therefore offers a 1:1 mentor program with volunteers that help integrate mixed abilities working together. This way the students individual needs can be met and friendships can also be made.

We welcome all needs. Our program is wheelchair accessible and equipped with equipment to provide support if needed. We also welcome sibling, carer and family involvement.

# ELITE

## COMPETITIVE DANCE PROGRAM

---

### Jazz, Lyrical & Contemporary

Our elite program is designed to establish and develop correct technique and nurture performance skills through examinations, competition and theatre performances. To develop and maintain skills required for these dance genres, all elite students must attend a minimum number of classes including:

Ballet exam x 1 (compulsory annual exam)  
Technique x 1 - turns, leaps and jumps  
Kicks & Leaps x 1 (depending on age)  
Company x 2 classes to choreograph & clean routines  
Acro x 1 - tumbling \*  
Stretch and Conditioning x 1\*

Teams will perform a minimum of two genres each being jazz and either lyrical or contemporary. the third genre maybe explored once the initial two routines are at a satisfactory standard. Families will be notified if a third routine is required.

Elite teams demand firm commitment from each team member and family. Elite teams compete at dance eisteddfods and competitions throughout WA and are expected to support and perform with their team over school holidays and various weekends throughout the year. National and international travel for certain teams are also considered each year.

A student qualifies for a team based on the age the child turns in 2019 regardless of the month. Ie: If a child turns 12 in 2019 they qualify for the 12/U company team. Select students can be invited to dance up an age group but only at the discretion of the Director/Principal.

All students and coaches must attend competitions wearing Studio X uniform and represent Studio X with integrity and professionalism.

Elite team members are eligible to compete as a soloist at competitions. Please refer to the solo page in this booklet for more information.

**\* If an elite student attends Toxic Cheer classes they do not need to attend acro and stretch/conditioning classes.**

# ELITE

## Soloists

Students who participate in the elite team program are eligible to perform at competitions in their chosen dance styles as a solo performer. We offer solos in hip hop, jazz, contemporary, lyrical and acro.

Soloists require a higher degree of dedication to their craft and the athlete must attend private classes to have routines choreographed and cleaned regularly throughout the year in addition to their team classes. Solo classes are an additional financial commitment to team classes.

Students are either invited to perform as a soloist by their teacher or alternatively parents can approach the Principal/Director (not the preferred coach directly) to discuss individual tuition and teacher availability. Elite team performances will always take precedence over a solo performance throughout duration of competitions. If there happens to be an overlap of performance times, the team performance will always come before the solo/duo/trio – no exceptions. Soloists can only perform at Studio X Dance approved competitions and events.

Private lessons are to be purchased in a 10 week block to cover each term of classes. If coaches are due to be absent through the term, the number of private sessions per term will be reduced. Purchasing a 10 week block secures your time with that coach and studio availability. If you choose not to continue your block in the following 10 week term the time slot will be given to another student. If you do return to private lessons at a later date we cannot guarantee studio/coach availability.

Private lesson etiquette: if you need to cancel your private please give 24 hours notice to ensure we can credit that class to you and our coaches are able to slot another athlete into the schedule. We understand things happen and people get sick but we still need to ensure coaches time is utilised effectively. If coaches need to cancel a class the class will be made up at a time suitable to both parties or credited to the following term if the student is returning to another 10 week block.

## Duos/Trios

Duo and trio routines are available for elite students with same stipulations as above. This is a great option for students who would like to perform with their friends or to gain more experience in a duo/trio before hitting the stage solo.

# ELITE Hip Hop

Our elite hip hop program offers students the opportunity to work with creative and current hip hop teachers who choreograph innovative and entertaining routines with a diverse range of hip hop styles. Competitive hip hop students must attend a one hour class each week. Our hip hop choreography embraces individual personality, strong spatial patterns, sharp and dynamic movement, strength and endurance.

We provide a positive atmosphere where dancers can push themselves to be the best performer they can be, without judgement or negativity. Students are expected to contribute positively to their team each week. As elite hip hop teams only need to attend one hour each week, consistent attendance is crucial to our routines and end result at competition as routines are choreographed and cleaned each lesson. Hip Hop teams are also the perfect option for students who don't have a lot of time to commit to lessons through the week – one hour per week with consistent attendance and availability over competition dates/times is paramount.

Elite teams compete at dance eisteddfods and competitions throughout WA and are expected to support and perform with their team over school holidays and various weekends throughout the year. National and international travel for certain teams are also considered each year. Elite team members are eligible to compete as soloists at competition. Please refer to solo page in this booklet for more information.

# POM

**High energy - jazz technique with cheerleading elements**

Studio X Dance offers Pom classes which incorporate competitive routines focusing on synchronisation and visual effects, clean and precise motions, strong pom technique, and technical dance elements. Visual effects include level changes, group work, and formation changes utilising poms.

To be eligible to join a Pom team athletes are required to also attend jazz technique, stretch/conditioning and ballet classes to ensure correct movement and alignment. As with all competitive teams, we request a firm commitment to attendance to ensure a unified and well-drilled team for competition.

Elite teams compete at cheer competitions and select dance competitions throughout WA and are expected to support and perform with their team over school holidays and various weekends throughout the year. National and international travel for certain teams are also considered each year.

Pom competition is usually held at a competitive cheer event however there is growing interest in this genre at dance competitions. We will do our best to enter our pom teams into a mixture of both. Pom students will compete at a minimum of four events in 2019. Open Elite team will be travelling to Disney World in Orlando during April 2019 to compete in the Dance Worlds Competition. We wish them all the best!

# ELITE PRICING & OTHER INFO

## Dance Competitions/Eisteddfods

- from \$30 for first routine
- additional routines \$15.00

## Cheer Competitions

- between \$85-\$95 for first routine/team
- additional routines from \$35

## Costume Hire

- \$100 per costume – For students who perform in our elite program with approximately 10 wears per season. The security deposit is waived for elite program and a hire fee is charged and paid in two instalments in the first two terms of the year.

Elite students may be required to buy accessories to finish off costumes – we will keep you informed if this is the case well in advance.

If competitive students have an additional routine for the end of year show (excluding ballet), they will be charged at \$35 per costume and charged once in term four.

End of Year Performance – ballet costume with tutu \$50 hire fee

Once you have committed to either program/classes the costume hire fee is non refundable if you change your mind – no exceptions.

Costumes are made from delicate fabrics which require extra attention when laundering. We ask that you do not wash the costumes as this can impact on fabrics and the overall condition of the costume. For selected routines, Studio X Dance will have costumes laundered.

Costumes should be looked after and kept in Studio X Dance costume bags and worn for performance only – not before or after the event.

All costumes must be returned at the end of the year in the condition they were originally received in. All accessories must be included.

Any costumes returned in unsatisfactory condition will incur extra charge for replacement.

## Earrings

- \$15 Competition earrings are compulsory for all elite students and will be worn with most costumes (excluding hip hop). They are large gem studs and can be purchased at reception. Pierced or clip on available. The style is the same as the 2018 season earrings.

## Competition Entry Fees

- We are only able to give an indication of pricing for competition at this stage as many organisations are not yet open to registration etc. As a general guide, we do charge more than the rate listed by organisations who run the events as we need to cover our overheads including coach availability at competition and general administration. Competition dates and times vary and our coaches ensure they are able to put all students on stage and are present for warm-up and performances/adjudication.
- Elite jazz/lyrical/contemporary students will attend a minimum of 4 dance competitions (theatre based) and 4 cheer competitions (arena based).
- Pom are limited to predominantly cheer comps but we will do our best to register them for dance (theatre) based comps.
- Competition fees vary for students who participate in more than one routine. We will calculate competition fees once the student is enrolled in preferred classes as there may be additional routines that need to be considered. Families will be fully informed of all upcoming competition fees at the beginning of each term

## Make Up

- \$45 Masquerade pack – to be purchased from reception before 1st May. A compulsory pack including eye shadows, lip liner and red lipstick for dancers. This prevents varied make up on stage and dancers with different coloured lips etc.
- There may be additional make-up for certain performances and students will be notified and charged accordingly. Dancers are to provide their own foundation and additional eye makeup including eyeliner and mascara/fake lashes.
- False eye lashes are compulsory for all elite students 11 years and over.

## Communication

Our primary method of communication in 2019 for all studio management is via email and the Jack Rabbit Class system parent portal. You will receive regular newsletters and important information via email so please ensure you have provided the studio with an up-to-date email address that is regularly checked. Check your spam folder for emails that may not have appeared in your inbox. You can also follow the link at [www.studioxdance.com.au](http://www.studioxdance.com.au) to login to the parent portal.

Our primary communication method while at competitions and events, is a custom Studio X Dance App which allows dancers, coaches, and families to stay in touch on the hop. Search Cheerlife at your app store and click on the link. This app also allows students to share pictures, track daily habits, chat with friends, and like others' actions. It has group chat capabilities and automatic filters to specifically reach athletes, staff, friends, and families. There are also channels where we can post competition content, behind the scenes footage, and more.

\*Facebook – the Studio X Dance Facebook page is for general information only. Group chats will only be administered on the Studio X App and will be while at events only. All studio management communication will be received via email through the parent portal or at [info@studioxdance.com.au](mailto:info@studioxdance.com.au)

Telephone contact hours for Studio X Dance are between 9am–3pm weekdays only. If your phone call is not answered, please leave a message and we will respond as soon as possible. We ask that you respect our coaches privacy and not communicate with them via social media. Our preference for contact is via email, through studio reception in person during business hours, or telephone.

# House Keeping

## Parent Watching

We know you love to watch your kids excel! Kindy combo classes are designed to have parents in the room, however for the majority, class time is for students to focus on their craft without any outside distractions. We prefer parents do not watch during class however parents can be invited into the studio to watch work that has been achieved during class at the teacher's discretion.

## Elite Program - Missed Class Policy

Competitive teams are demanding of your time and effort. If an athlete consistently fails to attend class without legitimate reason s/he will be asked to leave the team. Competitive dance choreography is designed to suit the number of students in the team and also created to gain maximum benefit from athletes ability. Failed attendance effects the whole team as re-formatting routines takes a lot of time and effort from everybody, especially the coaches. We ask all team members to consider whether elite competitive teams are appropriate for them before they commit. Each committed family invests their time and money into the team and we have an expectation that all athletes contribute equally. If you are planning a holiday over the competitive season, dancing is not that important to you or you'd rather prioritise social activities over your team, please opt for recreational dance. 2019 will see a new strike system introduced whereby attendance will be strictly monitored and athlete non attendance will result in removal from the team. Above all, communicate with your coach if you are having difficulties.

## Elite Program - Cancelled Class Due To Competition

Saturday classes are sometimes cancelled due to competitions - cheer and dance. As our elite program is a capped fee system, classes will not be re-scheduled if they are cancelled due to competition.

## Student Check In

Studio X has a duty of care to all students attending our studio. Unless the student is an adult, they are not to leave the studio to grab some food or to meet a friend etc. Students are only to leave the studio with their designated parent or guardian - no exceptions.

## Taking Care of our Studio

Students are not to eat in the studio or cheer gyms - the student waiting area is our designated eating area. All rubbish is to be put in the bins provided. We love our space and in order to keep it looking good, everyone needs to do their part to take care of it.

## Leaving Athletes at the Studio

If students have a short break between classes we understand they will remain at the studio and wait in the student waiting area. Please do not drop students to the studio hours before their class begins or collect them late after class. We are not able to supervise students who are not meant to be at the studio.

## Behaviour

We pride ourselves on providing a positive atmosphere for students and families. Showing respect and being mindful of other peoples feelings is essential. It's important that lines of communication always remain open and we ask that parents please get in touch with Josh/Sharon at an appropriate time of day if there are any issues or situations they need to be aware of. (Please refer to communication section in this booklet). Parents are not to interrupt classes to speak with a teacher as teachers must focus on the students and class progression while at the studio.

Parent's are not to compare their child to other children. Please be mindful of this behaviour in your child as well and encourage them to focus on their own dance journey. Parents must not make negative comments about Studio X Dance, teachers, other parents, studio processes or other children at any time. Please also do not contribute in any way to negative conversations in public and especially refrain from unnecessary comments in the foyer of our building. At all times, parents are to focus on their own child and support their time at Studio X Dance Company. with a positive attitude.
